

### **Enrolment information for 2020**

Thank you for your enquiry.  
**If you wish to enrol - now is the time !!**

Please look carefully at our enrolment package - our terms & conditions, fees structure & the classes on offer.

We run classes for 40 weeks of the year. All enrolled students are required to commit to taking 40 lessons. We are well aware that there are times when classes begin or fall on public holidays, and there may be times when your school term may begin on a Tuesday (instead of Monday). Please note - if your lesson is on a Monday, we usually operate from the start of the week, so always confirm with your teacher.

Our staff will ensure you have 10 lessons each term, so please make sure you communicate with them if public holidays fall on your normal lesson day.

If you wish to go on our Direct Debit system please advise me asap.

Our studio address is Unit 6, 92-94 Jemma Road Prestons  
Please make sure to speak with me directly prior to your first class to be given our (secure building) entry code.

We look forward to your musical success in 2020 !

Best Wishes
